SALES**

## PHILOSOPHY

Industrial Finishes & Systems is your expert on collision repair equipment.

We've aligned ourselves with the best manufacturers, products and technology in order to bring you solutions that truly fit your unique business.

Our equipment supplier relationships span many more categories than we could fit into this small space, so let us know what problem you need to solve. We'll help you find the best fit to meet that need.

**Since 1958**

## MANUFACTURERS

**BECCA®**

**ROBINAIR®**

**Polyvance**  
ADVANCING POLYMER REPAIR

**3M**

**EUROVAC**

**industrialfinishes.com**
